# Music Matters

Inside this booklet are the items tested in our  
Music Masters Classrooms all over the U.S.

We carefully select music for  
quality vocals and appropriate language.

We carefully select books for  
rhythmic, historic or artistic value.

We thoughtfully select materials that  
are durable, natural, master-able. Man-made  
materials are chosen when safety is the priority.

*Teachers & Caregivers,*

*We take the confidence you place in us very seriously and test our materials in the classroom with hundreds of children every year.*

*If a product meets our standards for beauty, “do-ability” and quality, we not only suggest it to you, but use it ourselves in the Music Masters classroom. This is why you won’t find every book, toy or CD for children in our Music Matters online store.*

*Thank you for placing your trust in us. We promise you will love these products.*

*Musically yours,*
